

WEEK 1

WEEK 2

WEEK 3

WEEK 4

The Laundry Room

The average household washes 7.4 loads a week, make this space function for you.

Remember Focus Points

- Ask Yourself 4 Questions
- Perform Power Purge
- Re-think the Space
- Contain

NOTES

Where to Start

- Remove all items from cabinets/shelves
- Get rid of items that don't belong
- Wipe down all surfaces
- Decide the essential items needed
- Sort like products (laundry, cleaning, towels, etc.)
- Arrange items using baskets/bins & make sure to label
- Figure out folding, hanging, & ironing system
- Clean & wipe down washer & dryer

BUZZ Tips

- Use plastic bins that can easily be wiped down
- Put small products (sponges, brushes) in small easy-to-remove plastic bins
- Put large detergents on a shelf and add a liner to protect cabinet
- Separate & create zones for household & everyday cleaning items
- Utilize space using wall/door hooks
- Tight on space, use door drying rack
- Consider decanting laundry powder/pods in a lidded jar on your counter (out of kids way)
