NOTES

Where to Start

- Pull everything out
- Go through shoes-donate/sell those that don't fit
- Only keep current season shoes in mudroom & find another home for "off-season" shoes
- Get rid of items that don't belong
- Go through cold weather items-hats, scarves, gloves & donate any not used
- Discard paper, trash, etc.
- Use lower shelves for baskets & easy-to-grab items (shoes, dog leash, essentials for school, etc.)
- Place items used less in basket/bins on higher shelves

BUZZ Tips

- If there is room, create a zone for each person
- Create a drop zone for keys & clean out often
- Create an electronic charging station
- If you have young kids, create a basket of grab-and-go activities to take when headed out
- Label bins or baskets
- Have a catch-all bag or pretty basket for odd items, then weekly return items to their proper home
